WS Geronimo is one of our main herd sires currently. A beautifully built red roan bull with brindle frosting on his face, Geronimo is a tall, long, hard topped bull with just under 90"TTT. Check out his calves that are hitting the ground. His dam is a Cowboy Up Chex daughter from the great WS Sunstar. On the top side he has WS Chief 164, a Vindicator (adding WS Sunstar again) son of Festival BCB who is a tight twisted butler cow. Geronimo has an
